ABOUT **MICROFIBER**

3S CARS CARE Microfiber Towels are manufactured by Hisco with high-quality microfiber textile. It is ideal for car surface and cleans seamlessly, they make great buffing rags without scratching or damaging the paint. It can be used for several purposes such as household, health care, glassware and commercial purpose. It can hold three times its size of water absorbed by soft superfine fibers that reach into stubborn corners and crevices. Add the finest cleaning asset to your inventory! **Do check out our different microfiber towels.**
