PROFESSIONAL CAR CARE
PRODUCTS

CAR WAX SERIES

HARD WAX

Highly reliable Botny hard wax formula efficiently protects your car paints from stains; Oil-based type; After clean the car, perfect polishing and water proof function.

Item No.: **BT-1017**

Specifications: 210g x 24pcs

Case Size: 51.0x36.7x19.4cm

SOFT WAX

Botny soft wax is emulsion formula; To remove stains and polishing easily; Efficiently protect your car paints with wax film; Contains abrasive, can repair slightly scratches.

Item No.: **BT-1018**

Specifications: 230g x 24pcs

Case Size: 51.0x36.7x19.4cm

POLISHING WAX

Polishing wax with emulsion formula, highly polishing effect; Excellent remove stains function; Prevent car paints from oxidation and color fading, offer best protection and splendid shine to car paint.

Item No.: **BT-1064**

Specifications: 230g x 24pcs

Case Size: 50.0x36.0x14.8cm

CRYSTAL WAX

Easily applying with powerful effect in removing dirt, repairs the coating cracks and enables the coating to recover high gloss; Automatically form solid and bright polishing layer; Preventing coating aging, cracking and fading; Waterproof function under any environment.

Item No.: **BT-1020**

Specifications: 450g x 24pcs

Case Size: 38.0x34.2x23.3cm

POLISHING CAR WAX

The product can form hard coated wax layer on the coating and reliably protect the car for long time with the functions of improving the colour, resisting abrasion and anti-oxidation.

Item No.: **BT-1019**

Specifications: 530ml x 24pcs

Case Size: 40.5x31.8x25.0cm

CAR CLEANING LIQUID WAX

This product can remove dirt on car body, powerfully, fastly and efficiently recover the original brightness. Suitable for the cleaning and polishing of vehicles and metal products.

Item No.: **BT-1065**

Specifications: 530ml x 24pcs

Case Size: 40.5x31.8x25.0cm

92° CAR PAINT WATER REPELLENT

Botny car surface water repellent is a strong protective coating that comprises of nano quartz silicon and paraffin wax. It has dirt resistance properties and can effectively enhance car paint's gloss and shine. If the car paint surface is uneven, this protective coating is able to fill in the mini gaps and therefore enhances and smoothes the surface flow, which allows water to slide away easily.

Item No.: **BT-1048**
Specifications: 100ml x 24pcs
Case Size: 31.5x27.8x23.0cm

COATING WAX

The product contains high polymer that is extracted from Brazilian palm trees, which provides excellent ductability. When using on car paint surface, mini gaps can be filled in effectively, forming an even and vibrant protective coat. As the coat of wax is sturdy, the effect is long-lasting. The smooth finish of the coat enhances the brightness, anti-oxidation and anti-UV effect of car surface, hence improves the overall surface protection properties.

Item No.: **BT-1102**
Specifications: 300g x 12pcs
Case Size: 47.5x44.5x15.0cm

DUSTER WAX

This product is rich in maintenance and cleaning formula. Suitable for the old and new duster to renovate and wax. Spray it on duster can anti-static, enhance duster's softness and dust removal ability, improve the paintwork glossiness; It also can be used on paintwork as water wax, easy to use.

Item No.: **BT-1090**
Specifications: 500ml x 12pcs
Case Size: 33.0x22.0x26.0cm

HARD WAX FOR NEW CAR

Soft cleaning, polishing, protection, especially suitable for new car paint and better condition of the paint; Soft formula, without repair polish, safe to use; Effectively drive water, acid rain, delay the erosion of pollutants and paint aging; Easy to use, apply to all colors paint surface.

Item No.: **BT-1101**
Specifications: 230gx12x2pcs
Case Size: 40.4x27.0x30.6cm

CARE & CLEANING SERIES

AUTO SHAMPOO

It is made of unique technology, which is neutral environment-friendly product with high enrichment rate, rich foam, strong cleaning power, do not hurt the paint, harmless to the human body and so on.

Dilution Rate: Highest Ratio 1: 200
Detergency: ★★★★★☆
Glossing Effect: ★★★★★☆
Hydrophobic Effect: ☆☆☆☆☆

Item No.: **BT-1092**

Specifications: 500ml x 24pcs

Case Size: 37.0x36.0x20.2cm

WASH & WAX (WITH WAX BEADS)

Mild formulation with unique process. Powerful cleaner with rich foam. Apply small quantity, get high performance. three-in-one, cleaning, shine and protective.

Dilution Rate: Highest Ratio 1: 200
Detergency: ★★★★★☆
Glossing Effect: ★★★★★☆
Hydrophobic Effect: ★★★★★☆

Item No.: **BT-1121**

Specifications: 500ml x 24pcs

Case Size: 37.0x36.0x20.2cm

SHAMPOO WAX

Mild environmental protection, high concentration rate, rich foam, strong cleaning power, do not hurt the paint, harmless to the human body. A transparent protective film can be formed on the surface of the paint to effectively increase the paint surface gloss and waterproof performance.

Dilution Rate: Highest Ratio 1: 200
Detergency: ★★★★★☆
Glossing Effect: ★★★★★☆
Hydrophobic Effect: ★★★★★☆

Item No.: **BT-1093**

Specifications: 500ml x 24pcs

Case Size: 37.0x36.0x20.2cm

MULTI-PURPOSE FOAM CLEANER

Detergent contains strong decontaminate with foam and adopt environment-friendly formula; Eliminate any surface dirt conveniently and safely; Foam is fine and smooth with fragrance smell, prevent the dust and dirty adhesion effectively and keep car clean as new; Unique fragrance can bring you nature enjoyment.

Item No.: **BT-1005-1 (WITH BRUSH)**

Specifications: 650ml x 12pcs

Case Size: 27.6x20.8x30.3cm

Item No.: **BT-1005-2**

Specifications: 650ml x 24pcs

Case Size: 41.8x28.4x29.4cm

INSECT & PITCH REMOVER

Penetrate, dissolve and remove the asphalt and grease; Excellent decontamination cleaning to make the car brand have a new look.

Item No.: **BT-1009**

Specifications: 360ml x 12pcs

Case Size: 37.0x24.7x19.5cm

LEATHER-PROTECTION CREAM

This product is rich in surface active agent and polishing maintenance composition, it can recovery the surface gloss and deeply penetrate into the dermal tissue, effectively improve the phenomenon of leather aging. Decontamination, polishing, and maintenance three-in-one.

Item No.: **BT-1103**

Specifications: 500ml x 12pcs

Case Size: 33.0x22.0x26.0cm

DASHBOARD LEATHER & TYRE WAX

It is suitable for vehicles, motors, leather chairs and artificial leather finished products as well polish the electrical appliances, furniture, and plastic products; Remove the dirt from the surface and increase polishing of the objects; Have various of odor; Contains silicone and make surface super polish and glossy.

Item No.: **BT-1003**

Specifications:100ml x 24 x4pcs

Case Size:40.2x28.8x29.4cm

- BT-1003-1 Lemon
- BT-1003-2 Jasmine
- BT-1003-3 Lavender
- BT-1003-4 Rose
- BT-1003-5 Apple
- BT-1003-6 Orange
- BT-1003-7 Strawberry
- BT-1003-8 Peach
- BT-1003-9 New car

Item No.: **BT-1042**

Specifications:450ml x 24pcs

Case Size:41.2x27.8x20.9cm

- BT-1042-1 Lemon
- BT-1042-2 Jasmine
- BT-1042-3 Rose
- BT-1042-4 Lavender
- BT-1042-5 Apple
- BT-1042-6 Orange
- BT-1042-7 Strawberry
- BT-1042-8 Peach
- BT-1042-9 New car

SHINE&PROTECTS PROTECTANT

Botny shine&protect protectant adopting advanced high efficiency silicone polymer formula, it is made by applying complex soft and surface active materials, can effectively attach on the surface to decompose, and protect the surface against the damage of the sun's UV rays. Renew color and shine of vinyl, leather, rubber and plastic without damaging the coating surface.

Item No.: **BT-1086-1**

Specifications:118ml x 24pcs

Case Size:27.5x18.5x16.7cm

Item No.: **BT-1086-2**

Specifications:295ml x 24pcs

Case Size:32.0x21.5x24.7cm

COCKPIT SHINE (HIGH GLOSS)

This product is rich in surface active agent and polishing maintenance composition, it can recovery the surface gloss and deeply penetrate into the dermal tissue, effectively improve the phenomenon of leather aging. Decontamination, polishing, and maintenance three-in-one.

Item No.: **BT-1104**

Specifications:500ml x 12pcs

Case Size:33.0x22.0x26.0cm

TIRE & WHEEL CLEANING SERIES

TYRE REJUVENATOR CLEANER

Clean and shine tyres efficiently and thoroughly; Dissolve dirt and road film; Leaving tires with a glossy shine for long-lasting.

Item No.: **BT-1004**

Specifications: 650ml x 12pcs

Case Size: 27.6x20.8x29.0cm

ALLOY WHEEL CLEANER

Fast Acting, Super strength foam spray; Quickly dissolves road tar, brake dust, grime grease and other stubborn dirt; No damage for all wheels.

Item No.: **BT-1045**

Specifications: 650ml x 12pcs

Case Size: 27.6x20.8x29.0cm

ALLOY WHEEL CLEANER

Made with a unique way, it provides an easy and effective way to safely clean wheels by penetrating and dissolving brake dust, dirt and grease on the hub surface.

Item No.: **BT-1125**

Specifications: 500ml x 24pcs

Case Size: 44.5x33.0x26.2cm

TIRE INFLATOR&SEALER

BOTNY Tyre Sealer & Inflator (Tire Sealant) is designed to quickly seek-out and effectively seal most normal punctures and slow leaks. It is 100% applicable to breach within 6mm on tubeless rubber tires of cars, motorcycles, electrical bicycles. No jack nor tire-change is needed. One step procedure of tire pumping and repairing is finished in seconds. It can also be filled into new tires to prevent unexpected leakage. Non-toxic and odorless. No corrosion and no damage to the tire.

Item No.: **BT-1075**

Specifications: 450ml x 24pcs

Case Size: 41.2x27.5x20.9cm

TIRE WAX

Excellent environmentally shine & waterproof performance. Protect tire from corrosion and prolong the tire life. Not easy to dip the dirt. Long effective life, easy to use. Suitable for all types of tire.

Item No.: **BT-1114**

Specifications: 450ml x 24pcs

Case Size: 41.2x27.5x20.9cm

TIRE WAX

Excellent environmentally shine & waterproof performance. Protect tire from corrosion and prolong the tire life. Not easy to dip the dirt. Long effective life, easy to use. Suitable for all types of tire.

Item No.: **BT-1124**

Specifications: 500ml x 24pcs

Case Size: 44.5x33.0x26.2cm

GLASS CLEANING SERIES

GLASS CLEANER

ANTI BUG & TAR & BIRDS DROPPINGS

This product is used in automobile windshield and other kinds of glass products; Can quickly clean smudge, water spots, shellac, bird droppings, dust and oil film of the windshield; No water stain leave; Easy to use.

Item No.: **BT-1105**

Specifications: 1.8L x 12pcs

Case Size: 35.0x34.2x30.0cm

CONCENTRATED GLASS CLEANER

This product adopts the moderate and concentrated formula, the surfactant can quickly remove stubborn dirt, oil film, insect cadaver, resin, rain blot on the glass, prevent dust and oil adhesion, deeply maintain wiper at the same time, keep the flexibility of wiper, extend the life of the wiper. It is suitable for automobile windshield (windshield, rearview mirror and the interior mirror), and the daily cleaning of all kinds of glass products.

Item No.: **BT-1107**

Specifications: 500ml x 24pcs

Case Size: 44.2x31.3x20.5cm

CAR WIPER WASHER

Fast Acting, Super strength foam spray; Quickly dissolves road tar, brake dust, grime grease and other stubborn dirt; No damage for all wheels.

Item No.: **BT-1021**

Specifications: 50ml x 80pcs

Case Size: 34.0x26.8x10.5cm

ANTI-FREEZING GLASS CLEANER

This product has excellent cleaning and anti-freezing effect, can be used in freezing point at -15°C, -25°C and -40°C, does not damage the rubber, glass and paint surface, can effectively remove grease and dirt of glass surface, provide a clear and bright visible view for you, better effect to use in winter.

Item No.: **BT-1106**

Specifications: 1.8L x 12pcs

Case Size: 35.0x34.2x30.0cm

ANTI-FREEZING GLASS CLEANER

CONCENTRATED

Excellent environmental shine & waterproof performance. Protect tire from corrosion and prolong the tire life. Not easy to dip the dirt. Easy to use for long-lasting. Suitable for all types of tire.

Item No.: **BT-1108**

Specifications: 500ml x 24pcs

Case Size: 44.2x31.3x20.5cm

GLASS CLEANER

The product is rich in efficient environmental cleaning factor, does not corrode the glass, can quickly remove the windshield stains, water spots, shellac, guano, dust, oil film and so on. Efficient decontamination, clean and no trace, the perfect solution to the windshield cleaning troubled.

Item No.: **BT-1116**

Specifications: 450ml x 12pcs

Case Size: 27.6x20.8x20.9cm

WINDSCREEN WASHER

Clean streak free; Remove bugs, tar, water spots, bird droppings easily; Safe for car finishes.

Item No.: **BT-1046**

Specifications: 500ml x 12pcs

Case Size: 33.0x22.0x26.0cm

- Remove oil film
- Highly Hydrophobic
- Reduce chance of using windscreen wiper
- Clearer vision
- Reduce dirt stain on glass surface

GLASS WATER REPELLENT

Once applied, our coating can protect your windshield for up to 90 days. If you maintain your car speed at 30KM/H, windshield wiper do not have to be used.

Item No.: **BT-1047**

Specifications: 100ml x 24pcs

Case Size: 31.5x27.8x23.0cm

DE-ICER

Made from a concentrated high performance ice-melting formula that melts ice fast and helps reduce dangerous refreeze. Ensures strong ice melting power. Down to -40°C. Easy to use. Spray and wipe off and cleans ice.

Item No.: **BT-1051**

Specifications: 500ml x 24pcs

Case Size: 41.2x27.8x25.0cm

DE-FROST

Spray in advance to prevent frost formation. Helps free frozen lock and prevents rapid refreezing and provide a clear view. Be used on the windshields, wipers, windows, vehicles, etc.

Item No.: **BT-1052**

Specifications: 500ml x 24pcs

Case Size: 41.2x27.8x25.0cm

AIR CONDITIONER CLEANING SERIES

AIR CONDITIONER CLEANER

Cleans dirt, oil, grease and other residues in hard to reach area with special sunflower fragrance and rich foam. Also removes odor. Protects and prolongs lifetime of air conditioner. Professional cleaner for air conditioner with rotary valve.

Item No.: **BT-1010**

Specifications: 500ml x 24pcs

Case Size: 41.2x27.7x24.4cm

CAR ANTIBACTERIAL AGENT

Remove mold, bacteria and smoke smell efficiently. Suitable for car interior, air conditioning and household.

Item No.: **BT-1063**

Specifications: 150ml x 24pcs

Case Size: 41.4x27.6x15.5cm

REFRIGERANT R-134A

Botny refrigerant is made of genuine materials for auto air conditioner with high pressure gas, should be used with a specialist or under his guide.

Item No.: **BT-1058-1**

Specifications: 220g x 30pcs

Case Size: 41.8x35.4x15.8cm

Item No.: **BT-1058-2**

Specifications: 250g x 30pcs

Case Size: 41.8x35.4x15.8cm

Item No.: **BT-1058-3**

Specifications: 300g x 30pcs

Case Size: 41.8x35.4x16.4cm

AIR CONDITION FRESHENER

Adopt innocuous and unpoisonous extract of natural plant; Contain special formula; Can deep into the interior of air-condition to remove deodorant; Keep lasting fragrance.

Item No.: **BT-1070**

Specifications: 285ml x 24pcs

Case Size: 31.8x21.8x22.8cm

BT-1070-1 Lemon
BT-1070-2 Jasmine
BT-1070-3 Lavender
BT-1070-4 Rose
BT-1070-5 Orange

ENGINE PARTS CLEANING SERIES

ENGINE SURFACE DEGREASER

(AEROSOL)

Possess strong penetration and emulsifying power; Able to remove the grease, smudges and dirt on the surfaces of motors so as to maintain brand-new appearance and facilitate dissipation of heat; Harmless to rubber, plastic parts and paintings of motors, and remove greases and smudges on the surfaces of generators, industrial machinery and other equipment.

Item No.: **BT-1006**

Specifications: 650ml x 12pcs

Case Size: 27.8x20.8x29.0cm

HEAVY-DUTY ENGINE SURFACE CLEANER

Excellent penetrating work. It dissolves, emulsifies and removes ingrained grease, dirt, grime and oil from many surfaces. Suitable for automotive, motorcycle, glass, rubber and paintwork.

Item No.: **BT-1056**

Specifications: 500ml x 12pcs

Case Size: 33.0x22.0x26.0cm

ENGINE INTERIOR CLEANER

Excellent penetration and emulsification with waterbased formulation. Dissolves and cleans carbon deposit and sludge from combustion chamber and intake. Restores performance of piston. Reduces noise and knocking. Restores and improves engine performance.

Item No.: **BT-1091**

Specifications: 300ml x 24pcs

Case Size: 35.6x24.0x21.0cm

FUEL INJECTOR CLEANER

BT-1097 (DIESEL) BT-1120 (PETROL)

Strong cleaner. Dissolve and clean carbon and oxidation deposit from engine system, oil channel and injector. Improving engine performance. Save oil and reduces harmful emissions. Prolong engine life.

Item No.: **BT-1097**

Specifications: 354ml x 12pcs

Case Size: 28.8x21.0x21.4cm

Item No.: **BT-1120**

Specifications: 354ml x 12pcs

Case Size: 28.8x21.0x21.4cm

INJECTOR CLEANER

This product can improve the engine performance, help return spray patterns to original specification. It can clean gum, varnish and carbon from injectors and other combustion chamber components.

Item No.: **BT-1039**

Specifications: 420ml x 12pcs

Case Size: 27.6x20.8x20.9cm

STARTING FLUID

Adopting professional formula, this product could help to start the engine quickly and stably without warming under atrocious weather (above -40°C and moisture weather). It possesses the advantages of easy use, quick starting, harmless to the engine, no detonation and less consumption to automobile batteries and ignition switch. It is suitable for various gasoline and diesel engines in automobiles, trucks, motorboats etc.

Item No.: **BT-1041**

Specifications: 400ml x 24pcs

Case Size: 41.4x27.8x20.5cm

FUEL SYSTEM CLEANER

Contain high-performance ingredients such as corrosion inhibitors, can clean the nozzle and intake valve, remove the intake valve sediment and combustion chamber sediment, control octane gain.

Item No.: **BT-1122**
Specifications: 60ml x 6 x 24pcs
Case Size: 514x284x294cm

OIL TREATMENT

It is multi-functional, high-performance additive for reducing friction and wear and maintaining stable viscosity. Even under extreme conditions, it prevents viscosity loss in engine oil and noticeably protects the engine against wear. This product is based on latest additive technology. Suitable for all petrol and diesel engines in both new and used cars.

Item No.: **BT-1026-1**
Specifications: 320ml x 24pcs
Case Size: 35.0x23.7x21.0cm
Item No.: **BT-1026-2**
Specifications: 443ml x 24pcs
Case Size: 41.2x27.7x19.8cm

5-MIN MOTOR FLUSH

The formula for professional integration, and help the engine oil Road glial removal, scaling, coke, and other sediments, enhanced lubrication, friction reduction, the restoration of internal engine sealing apron, flexibility and enhanced sealing pads Properties of good partners, delays and engine oil life.

Item No.: **BT-1022-1**
Specifications: 320ml x 24pcs
Case Size: 35.7x24.1x20.0cm
Item No.: **BT-1022-2**
Specifications: 443ml x 24pcs
Case Size: 42.5x28.5x19.8cm

OCTANE BOOSTER

This octane booster is formulated for stop knocking caused by low octane fuel. It can be used in both leaded and unleaded gasoline. Special additives increase octane and clean fuel system. Botny Octane booster does not contain alcohol and it's safe for catalytic converters and oxygen sensors.

Item No.: **BT-1057**
Specifications: 354ml x 12pcs
Case Size: 28.8x21.0x21.4cm

FUEL SYSTEM TREATMENT FOR PERROL

This product uses advanced formula and the production process refined mixture, it can clear the engine injector, intake valve and combustion chamber in the carbon, restore power. Eliminate engine hysteresis, breathing, idle instability, acceleration and other issues. Lubricate and improve fuel system functions to prevent rust and corrosion.

Item No.: **BT-1110**
Specifications: 320ml x 24pcs
Case Size: 35.0x23.7x20.4cm

DIESEL SYSTEM CLEANER

This product can remove dirt on car body, powerfully, fastly and efficiently recover the original brightness. Suitable for the cleaning and polishing of vehicles and metal products.

Item No.: **BT-1123**
Specifications: 354ml x 12pcs
Case Size: 28.8x21.0x21.4cm

FUEL SYSTEM TREATMENT FOR DIESEL

Designed specially for enhancing the fuel efficiency of diesel-used vehicles. Regular use can clean fuel system of vehicles efficiently and keep it good conditions; Ensure normal atomization of fuel, enhances power, avoid starting failure; Lubricate, protects relevant parts of fuel systems, emulsify water in fuel tanks and prevent rusting and erosion of tanks and fuel pipes; Restrain midewing in fuel tanks, prevent blocking of fuel channels; Harmless to catalytic converter, seasons etc.

Item No.: **BT-1044**
Specifications: 320ml x 24pcs
Case Size: 35.0x23.7x20.4cm

BRAKE CLEANER SERIES

DOT4 BRAKE FLUID

Equilibrium Reflex Boiling Point above 230°C; Wet Equilibrium Reflex Boiling Point above 155°C; Excellent anti-rust performance and rubber adaptability to protect the brake system and clutch metal parts; Suitable for all kinds of imported or domestic medium and advanced cars, buses, commercial vehicles, light or heavy truck hydraulic brake system; Meet the US Federal Safe Transportation Standard FMVSS NO.116 DOT4.

Item No.: **BT-1099**

Specifications:800g x 18pcs

Case Size:39.5x30.2x24.5cm

DOT3 BRAKE FLUID

Equilibrium Reflex Boiling Point above 205°C; Wet Equilibrium Reflex Boiling Point above 140°C; Excellent anti-rust performance and rubber adaptability to protect the brake system and clutch metal parts; Suitable for all kinds of imported or domestic medium and advanced cars, buses, commercial vehicles, light or heavy truck hydraulic brake system; Meet the US Federal Safe Transportation Standard FMVSS NO.116 DOT3.

Item No.: **BT-1100**

Specifications:800g x 18pcs

Case Size:39.5x30.2x24.5cm

BRAKE CLEANER

Clean without need for disassembly; Environmentally friendly formula; Improve brake and clutch performance.

Item No.: **BT-1011**

Specifications:500ml x 24pcs

Case Size:41.2x27.7x24.4cm

THROTTLE BODY & UPPER CYLINDER CLEANER

This product contains a powerful agent to clean the induction system efficiently, throttle body and upper cylinder areas. Helps remove gum and varnish from the induction system and upper cylinder area; Helps smooth rough idle; Helps reduce pollution and improve fuel consumption; Helps lubricate by leaving a residual film on the intake surfaces to stop build up of further deposits. It live longer and perform stronger.

Item No.: **BT-1068**

Specifications:200ml x 24pcs

Case Size:33.5x22.5x17.5cm

CARBURETOR & CHOCK CLEANER

Strong ability of infiltrating and dissolving. Can penetrate to interior of precision instruments and remove oil, grease, dust and other foreign materials that adhere to metal surface during processing and operating. It can also used in cleaning machinery parts, machine tools, guns, vessels and so on.

Item No.: **BT-1073**

Specifications:550ml x 24pcs

Case Size:41.2x27.3x20.9cm

Item No.: **BT-1043**

Specifications:450ml x 24pcs

Case Size:41.2x27.7x20.9cm

Item No.: **BT-1007**

Specifications:200g x 24pcs

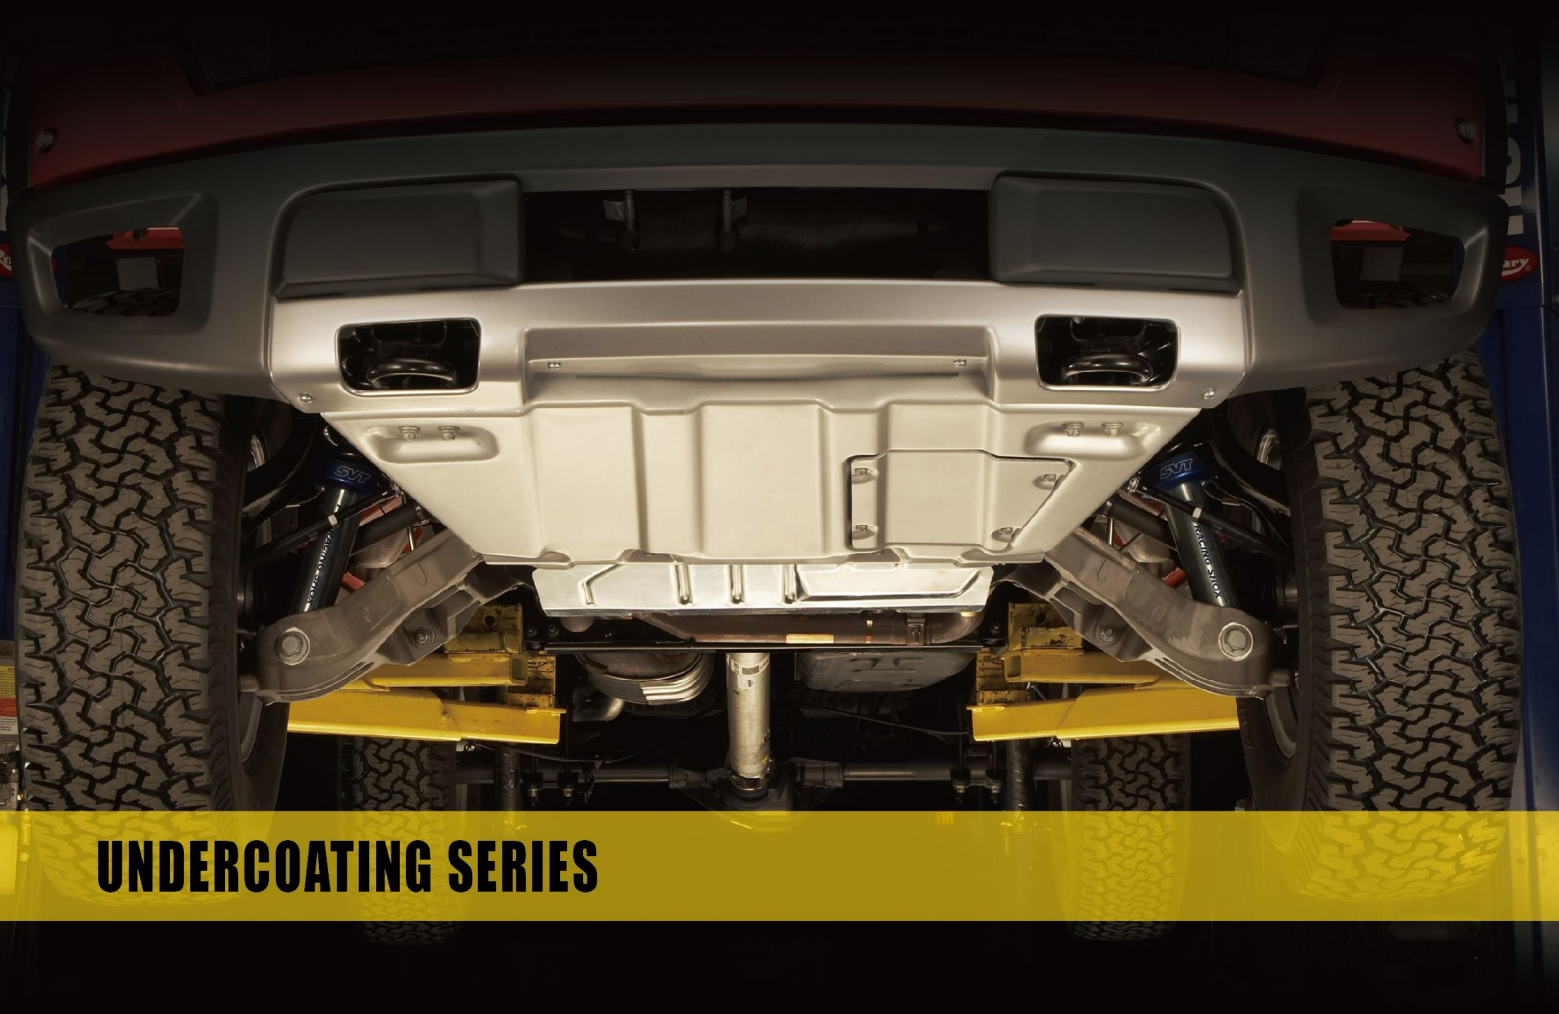

Case Size:32.5x22.2x20.0cm

Item No.: **BT-1028**

Specifications:100ml x 24 x 4pcs

Case Size:40.2x28.8x29.4cm

RUBBERIZED UNDERCOAT

OIL-BASED

This product can quickly and effectively form a special protective layer, its unique anti-rust corrosion resistance makes the car chassis rubber and metal completely isolated from moisture corrosion and gravel impact, greatly reduce noise.

Item No.: **BT-1016-1**
Specifications: 700ml x 12pcs
Case Size: 27.6x20.8x29.0cm

Item No.: **BT-1016-2**
Specifications: 1000g x 12pcs
Case Size: 36.5x27.5x26.8cm

Item No.: **BT-1016-3**
Specifications: 2000g x 6pcs
Case Size: 35.0x24.0x26.5cm

RUBBERIZED UNDERCOAT

WATER-BASED

GREY

BLACK

Water Based environmental coating; Form lasting protective film after spray; Protect from rust, scratch and sea salt in rain and snow; Good flexibility and thick coating contributes to reduce noise; Easy to operate; Have a little odor.

Item No.: **BT-1069-1** (Grey)

Item No.: **BT-1069-2** (Black)

Specifications: 1000g x 12pcs

Case Size: 35.4x26.7x26.3cm

CHIPPING COAT SPRAY

This product is a resin type chassis anti-rust glue, high elastic coating, can effectively prevent the sand impact and friction, prevent the chassis scratched; Strong attached to the chassis, avoid the chassis rust and corrosion in the rain, mud, snow; Effectively isolate noise and alleviate shocking, improve driving comfort.

Item No.: **BT-1111**

Specifications: 700ml x 12pcs

Case Size: 27.6x20.8x29.0cm

RADIATOR MAINTENANCE SERIES

ANTI FREEZE

Full-strength, ethylene glycol based formula protects against freezing and overheating safe for all metal including aluminum.

Item No.: **BT-1054-1** (Red)
Item No.: **BT-1054-2** (Blue)
Item No.: **BT-1054-3** (Green)
Specifications: 2kg x 8pcs
Case Size: 37.6x35.0x25.0cm

Item No.: **BT-1055-1** (Red)
Item No.: **BT-1055-2** (Blue)
Item No.: **BT-1055-3** (Green)
Specifications: 4kg x 4pcs
Case Size: 47.9x22.5x31.4cm

This product is a protection agent for long-term cooling of the car water tank, containing anti-corrosion, anti-rust, anti-fouling additives, protection tank is not corroded, no rust, no dirt, cooling fast, high heat efficiency, and the tank metal and rubber parts do not produce bad effects

RADIATOR CLEANER

The product is used for quickly cleaning the water tank, and can effectively remove water scald, iron rust, slurry and various dirt from water tank and water cool system of the engine. After cleaning the water tank, it can prevent the over heat failure of the water tank and engine. It helps that improve the radiation efficiency of water tank and engine power, save source, reduce consumption, and prolong the life of engine.

Item No.: **BT-1013**
Specifications: 350ml x 24pcs
Case Size: 44.2x29.8x14.5cm

RADIATOR STOP LEAK

The product can be used with various antifreezes and cooling agents, the product can stop the leakage of water tank, radiator, tank body, water pump, water seal and tank bush. It will not jam the radiator channel or hurt the cooling system. Additionally, it can resist corrosion and rust, prolong the life of water tank, save repairing time and reduce the cost.

Item No.: **BT-1012**
Specifications: 350ml x 24pcs
Case Size: 44.2x29.8x14.5cm

RADIATOR SYSTEM RUST PREVENTIVE AGENT

Super Coolant Optimizer improve heat transfer from engine interior to coolant and from coolant to radiator to improve cooling efficiency in water-cooled engines. Helps reduce engine temperature, helps prevent overheating, decreases localized hot spots to reduce "ping", and provides corrosion protection. Mixes with all antifreezes/coolants and protects iron, aluminum, brass from corrosion, including electrolysis.

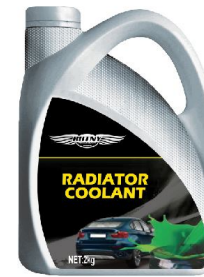

Item No.: **BT-1062**
Specifications: 350ml x 24pcs
Case Size: 44.2x29.8x14.5cm

RADIATOR COOLANT

Item No.: **BT-1053-1** (Red)
Item No.: **BT-1053-2** (Blue)
Item No.: **BT-1053-3** (Green)
Specifications: 1kg x 12pcs
Case Size: 31.7x28.3x25.8cm

Item No.: **BT-1071-1** (Red)
Item No.: **BT-1071-2** (Blue)
Item No.: **BT-1071-3** (Green)
Specifications: 2kg x 8pcs
Case Size: 37.6x35.0x25.0cm

HEADLAMP RENOVATION

This product is refined from imported raw materials, has the advantages of easy operation, high transparency and high weather ability. There is significant effect for renovating the light yellowing, fuzzy, oxidation and scratches. Suitable for the renovation of all the car old lights and the protection of new car lights, extend the service life of the lamp.

Item No.: **BT-1060**

Specifications: 200ml x 24pcs

Case Size: 33.5x22.5x17.2cm

COLORFUL RUBBER PAINT

Made of the natural-drying synthetic rubber; Tough protective removable film, water-proofing, anti-wearing, provide the best decoration. Widely be used on metal, wood, plastic products, etc.

Item No.: **BT-1025**

Specifications: 400ml x 12pcs

Case Size: 27.6x20.8x20.9cm

INDUSTRIAL ANTI-RUST LUBRICATION SERIES

DE-RUST LUBRICATING SPRAY

It can infiltrate the areas of rust in a short time and to slacken rust. It can wipe out the noise caused by rubbing between spare parts or movable fittings; clean, lubricate and protect all kinds of machines; and to remove humidity and prevent rusting.

Status: soft oil film
Anti-corrosion: ★★★★★★
Lubrication: ★★★★★★
Osmosis: ★★★★★★
Water displacement: ★★★★★★

Item No.: **BT-1008**
Specifications: 400ml x 24pcs
Case Size: 41.2x27.7x20.4cm
Item No.: **BT-1034**
Specifications: 85g x 24 x 4pcs
Case Size: 31.8x22.6x34.8cm
Item No.: **BT-1035**
Specifications: 32g x 24 x 4pcs
Case Size: 31.8x22.6x24.4cm

PENETRATING OIL SPRAY

It can infiltrate the areas of rust in a short time and to slacken rust. It can wipe out the noise caused by rubbing between spare parts or movable fittings; clean, lubricate and protect all kinds of machines; and to remove humidity and prevent rusting.

Status: soft oil film
Anti-corrosion: ★★★★★★
Lubrication: ★★★★★★
Osmosis: ★★★★★★
Water displacement: ★★★★★★

Item No.: **BT-1040**
Specifications: 400ml x 24pcs
Case Size: 41.2x27.7x20.4cm

WHITE LITHIUM GREASE

BOTNY WHITE LITHIUM GREASE provides protection with long-lasting lubrication and corrosion protection on gears, roller, bearing and linkages. Effective in a temperature range from -25°C to 140°C.

Status: soft oil film
Anti-corrosion: ★★★★★★
Lubrication: ★★★★★★
Osmosis: ★★★★★★
Water displacement: ★★★★★★

Item No.: **BT-1112**
Specifications: 420ml x 12pcs
Case Size: 27.6x20.8x20.9cm

SILICONE SPRAY

Lubricates all kinds of blades, cutting tools, sewing machines, woodworking machinery and other machinery stem disk and automatic coin machine; Prevent sticking and freezing, squeaks and reduces friction.

Item No.: **BT-1038**
Specifications: 420ml x 12pcs
Case Size: 27.6x20.8x20.9cm

CHANNEL SPRAY

Automobile; Domestic pneumatic systems industrial use textile machinery; General purpose; Electrical equipments; Offices telecommunication equipments.

Item No.: **BT-1036**
Specifications: 100ml x 12pcs
Case Size: 40.2x28.8x29.4cm

ELECTRONIC CONTACT CLEANER

Remove all kinds of pollutants which can damage the electronic instrument such as dust, fiber tow, moisture, hand sweat or oil and so on, repair and maintain all kinks of electronic equipment.

Item No.: **BT-1059**
Specifications: 420ml x 12pcs
Case Size: 27.6x20.8x20.9cm

MOULD REMOVER

Leaving a protective lubricant film so that easily release the variety of casting materials from cured rubber molds with shine performance. Ideal for plastic, rubber, metal, glass and more. Corrosion protection. Will actually lengthen the life of your production mold.

Item No.: **BT-1115**
Specifications: 450ml x 12pcs
Case Size: 27.6x20.8x20.9cm

CHAIN LUBE

This product is widely used in vehicles, boats, homes, factories, machine rooms and other tools. Quickly penetrate the rusty parts make the rust loose, eliminate parts or devices noise due to friction. It is clean and lubricant, protect all kinds of machines, remove moisture and prevent rust, etc.

Item No.: **BT-1113**
Specifications: 100ml x 24 x 4pcs
Case Size: 40.2x28.8x29.4cm

AIR-DUSTER

This product contain high pressure gas, effectively remove dust, paper dust and other dirt.

Item No.: **BT-1119**
Specifications: 420ml x 12pcs
Case Size: 27.6x20.8x20.9cm

HOUSEHOLD SERIES

AIR-FRESHENER

Botny air-freshener adopts the deodorant formula, smells good and feel like the natural flowers. It is non-staining and safe to body, it is suitable for household, office, toilet, hotel, vehicle, ship etc.

Item No.: **BT-1072**

Specifications: 330ml x 12 x 4pcs

Case Size: 46.7x35.3x27.0cm

WATER REPELLENT

Protect the fabric, form a hydrophobic film on the fabric surface, it is not easy to be stained with liquid stains and easily wipe after staining.

Item No.: **BT-1117**

Specifications: 420ml x 12pcs

Case Size: 27.6x20.8x20.9cm

OVEN CLEANER

This product is rich in high efficient and environmentally friendly cleaning factor, can rapidly penetrate the emulsion to remove grease, oil and other kitchen stains, no damage of the substrate.

Item No.: **BT-1094**

Specifications: 500ml x 12pcs

Case Size: 33.0x22.2x26.0cm

TOILET CLEANER BUBBLES

This product can provide rich and lasting foam, fresh smell. Avoid water sputtering when go to the toilet, resist germ and suppress stink. Improve the toilet environment.

Item No.: **BT-1095**

Specifications: 650ml x 12pcs

Case Size: 27.6x20.8x29.0cm

BT-1095-1 CITRUS
BT-1095-2 LAVENDER

FURNITURE POLISH

The product consists of silicon and can remove stains on the surfaces of furniture. It makes the surface glossy to appear brand-new and possesses unique lemon flavor to give a fresh feeling. It should be widely used on surfaces of wood, leather, fire-resistant fibre and marble.

Item No.: **BT-1014**

Specifications: 450ml x 12pcs

Case Size: 27.6x20.8x20.9cm

ADHESIVE REMOVER

This product is a kind of adhesive remover with a solvent-based formula and fresh fragrance. It can dissolve the sticker, label and other kinds of adhesive agent from the surface of windscreen, car body, coating, marble, metal and so on.

Item No.: **BT-1015**

Specifications: 450ml x 12pcs

Case Size: 27.6x20.8x20.9cm

Spray Paints Series

Car Color Change, Home Building Materials Decoration, Graffiti

FURNITURE REPAIR PAINT

This product is flexible and easy to operate, good atomization spray, paint drying quickly, fullness, hardness, adhesion, gloss, flexibility and other comprehensive advantages, and rich in bright colors, good decorative effect.

Item No.: **BT-1096**

Specifications: 400ml x 12pcs

Case Size: 27.6x20.8x20.9cm

WATERBORNE PAINT

The product with environmentally friendly water-based formula, free of heavy metals and smell fresh. It is good for indoor decoration and repair, outdoor protection and light resistance, DIY graffiti. It can be sprayed and decorated in a variety of material surface like iron, wood, ABS plastic, handicraft products etc.

Item No.: **BT-1118**

Specifications: 300ml x 12pcs

Case Size: 27.6x20.8x20.9cm

AEROSOL PAINT

The product is made of the advanced petroleum manufacturing techniques; Easy to use and give an even and fine spraying surface; Possess multiple strengths weather resistant, hard, soft & durable, abrasion resistant, strong adhesion, provide a long-lasting colorings. Widely used in spraying and repairing of surfaces of metal, glass, leather, porcelain and many other kinds of materials.

Item No.: **BT-1001**

Specifications: 400ml x 12pcs

Case Size: 27.6x20.8x20.9cm

FLUORESCENT SPRAY PAINT

Daylight fluorescent aerosol paint; Easy to use, give an even and fine spraying surface; Possesses excellent characters of delivery right; Fast drying, adhesion, hardness, soft & durable, provide a good protect to base materials; Widely used in decoration of metals, surface treated wood, glass, ABS plastic and many other kinds of base materials.

Item No.: **BT-1002**

Specifications: 400ml x 12pcs

Case Size: 27.6x20.8x20.9cm

PAINT REMOVER

This product belong to high efficient peel off aerosol paint remover, it has many advantages, such as easy to operate, high efficient to remove paint, no corrosion to metallic and so on.

Item No.: **BT-1076**

Specifications: 400ml x 12pcs

Case Size: 27.6x20.8x20.9cm

CHROME EFFECT SPRAY PAINT

It is made of new-generation international metallic pigment, special resin, and compounding chemicals. The paint film is like fantastic mirror surface effect. It can greatly stand against the ultraviolet radiation and strengthen the ageing resistance of the object being decorated. It brings wonderful external appearance, with similar effect of chromate treatment.

Item No.: **BT-1030**

Specifications: 400ml x 12pcs

Case Size: 27.6x20.8x20.9cm

HEAT RESISTANT SPRAY PAINT

Self-dry silicone resin aerosol paint, easy operating, good sprayability, high delivery rate. The paint film can obtain the best performance after self-drying within 30minutes then baking within 2 hours, it can maintain the perfect performance in long time using under 300℃/500℃. It can be used on the chimney, pipeline, auto and motor exhaust vent pipe and other high heat conditions.

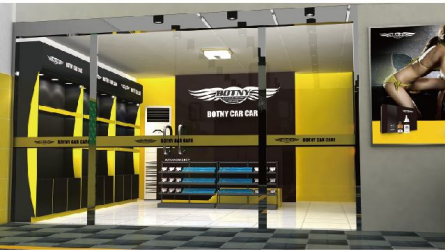

Item No.: **BT-1029**

Specifications: 400ml x 12pcs

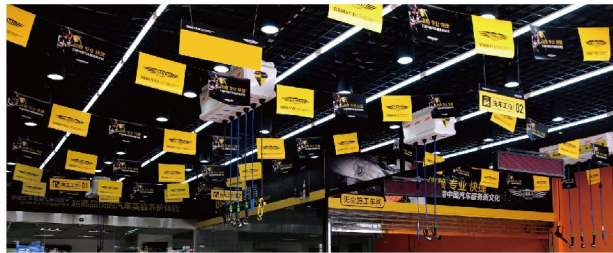

Case Size: 27.6x20.8x20.9cm
